[There is nothing small about the impact small businesses have on our economy](#)

Press Releases

South Africa has hundreds of thousands of small businesses and there's nothing small about the impact these small businesses have on our country's economy. Small businesses need the nation to mobilise behind them more than ever before. That's the word from Mike Anderson, Founder & CEO of the National Small Business Chamber (NSBC). The role that small [...]

[How to get the best out of your employees](#)

Human Resources, Managing a business

Richard Branson has been quoted as saying "Clients do not come first. Employees come first. If you take care of your employees, they will take care of the clients." And we agree. Your employees are the engine of your business and if they are working optimally for your business then your business will flourish. Here [...]

[Late again? How to get paid on time](#)

Money Matters

Late payments are the eliminators of small business. In the 2019 survey by the NSBC, cash flow ranked as the number one reason why small businesses didn't grow and may be the reason that many small businesses don't survive past the three-year mark. But what can you do to help ensure your small business continues [...]
