

SAMED Membership fees

SAMED is a not-for-gain voluntary industry association. As per our Constitution, the Board may require Members to pay reasonable Membership fees, levies and other charges to SAMED in such amounts and at such intervals as the Board may determine. The membership fee is reviewed on an annual basis by the SAMED Board.

For new members, membership fees are due within 21 days of invoice. Unless otherwise determined by the Board, annual fees and/or subscriptions will be payable by 31st March and will be invoiced to new Members joining during the year, on a pro rata basis.

This means new Members are charged a pro-rata rate in the month that their application is approved, thereafter resuming with annual invoicing in January.

Below is a table of 2021 membership fees. Please note that published amounts exclude VAT.
