

SCOTT DE OLIVIERA

As a seasoned professional within the Medtech sector, Scott's leadership has been defined by strategic business development with a keen interest in healthcare innovation. His successes can be attributed to his strong leadership skills, strategic business acumen, and forward-thinking approach to ensuring business efficiency and performance. He is a driven, proactive individual who is highly adaptable to dynamic and changing environments.

Scott is the Vice President, Sub-Saharan Africa, at Merit Medical, is a SAMED board member and the Chair of the Diversity in Medtech Committee. This role aligns with his commitment to fostering diversity, leveraging his background in medical devices to champion change.
